

Savanna Series Rankings - 2026

Rankings are based on percent back calculated from winning time (M/F) for each event.

To complete the series, participants must run at least 4 of the 7 series events.

Runners enter the posted series tracking when they complete at least 2 events and stay in as long as they can potentially complete 4 events.

Final average percent back is based on best 4 events for runners who complete 5 or more.
